great, thanks!! i'll check with Vicki next week about the peer review form, but it didn't sound as if it was anything that would hold us up, in any event, just another way they track things. have a good weekend, yourself! jj

Jennifer, Vicki completed the QA review form and I forwarded it to Sharon. not clear about peer review form she refers to. Sharon told me she has everything, so I think we are good to go. I will go ahead and forward Sharon the file in your last email. Have a good weekend. -- Cheryl

hi, Cheryl. you should have received the complete clean draft in my previous e-mail. when i was on the phone with Vicki Sotto, who was helping me append the appendix, she mentioned that i needed a peer review form submitted through webforms and a QA review form for the peer review contract (she said Sharon might fill out the latter). when i said that you were the contract TOPO, she said that she had filled out some stuff for you, but she wasn't sure if it was for EtO. do you know anything about where we are with these 2 forms? i sure didn't do anything, and i know you had done some of the process paperwork, but i wasn't sure what exactly. thanks. jj
